

# SHUGO 2024 SPRING TRAINING

## **CANE BAY HIGH SCHOOL - CHARLESTON, SC - JANUARY 13-14, 2024**

**The Charleston Baseball Academy and Carolina Prospects Baseball Organization will be hosting the 25<sup>th</sup> Annual SHUGO Spring Training Camp.** The CBA & CAROLINA PROSPECTS coaching staff will be providing instruction for this year's camp. Spring Training 2024 is for any player ages 10 to 18 years of age.

Our coaching staff will be instructing the fundamentals of baseball while "tuning up" the players for the upcoming baseball season. The camp weekend also allows our coaching staff to get to know the players and finalize the team rosters for the 2024 summer season.

A SHUGO representative will be on site throughout the camp with SHUGO apparel, gloves, shoes, and uniform sizing for our players.

Our mission is to provide the highest quality coaching, development and playing experience for our players at every age level and prepare them for their future on and off the field. Having our own training facilities, our coaches and trainers will be able to provide the highest quality baseball instruction year round. From biomechanical assessments for our players to competing in the top events in the country, our players will have an opportunity to excel at the highest level.

The SHUGO Spring Training Camp will also include our HOT STOVE BANQUET on Saturday night, January 13. Details for this year's banquet will be announced soon!
